FabricArt to studio tkackie specjalizujące się w produkcji wysokiej jakości tkanin. Realizujemy pomysły klientów, współpracując z nimi na każdym etapie powstawania tkaniny — od pomysłu do gotowego produktu. W naszym studio powstają tkaniny o splocie skośno-krzyżowym, jodełkowym, diamentowym oraz zakardowe, w tym inspirowane tradycyjnymi metodami tkania na krośnie ręcznym oraz autorskie realizacje np.: technika Collora. Oferujemy również szeroki zakres przędzy stosowanej w naszych tkaninach: bawełny, wiskozy bambusowej, lnu, konopi, jedwabiu, kaszmiru i wełny.
